

# TRANSFER PRICING PROJECT MANAGER

- ✓ Join Rödl & Partner Lithuania – an international team of professionals where New York energy meets German precision and Baltic ambition.
- ✓ Rödl & Partner unites 6,000 professionals across 116 offices worldwide. Our uniqueness lies in our interdisciplinary approach, strong client focus, and vibrant community culture.
- ✓ Our newly renovated Vilnius office is inspired by New York style, featuring: modern artwork, exposed concrete ceilings, glass partitions, a terrace with a panoramic city view – a space where ideas are born and informal meetings take place. This is more than just a workplace – it is an environment where professionalism, aesthetics and urban energy come together.

## WHAT WE EXPECT FROM YOU:

- At least 3 years of experience in transfer pricing or international taxation
- A university degree in economics, finance, law, or accounting
- Strong knowledge of OECD guidelines and local transfer pricing rules
- Experience working with TP databases (e.g., TP Catalyst) and conducting comparability analyses
- Strategic thinking and strong analytical skills
- Excellent communication skills and the ability to present complex information clearly
- High standards of responsibility, integrity, and ethics – trust and transparency are the foundation of our work
- Excellent English proficiency (both written and spoken); German is a significant advantage

## YOUR RESPONSIBILITIES:

- Prepare and analyze transfer pricing documentation (loans, services, distribution, etc.) in compliance with OECD guidelines and local regulations
- Collaborate with international companies and their finance and tax teams
- Perform comparability analyses using databases such as TP Catalyst
- Analyze Lithuanian and international transfer pricing legislation
- Represent clients in preparing advance pricing agreements with tax authorities
- Contribute to marketing activities, including preparing proposals and newsletters

## WHAT WE OFFER:

- Competitive salary starting from €4,000 net (depending on experience and skills)
- Hybrid work model with flexibility to work from home; Option to work 4 days per week during the summer season; Career growth opportunities – possibility to become a company partner within 5 years
- A team of highly skilled professionals who are supportive, collaborative, and inspiring
- Annual salary reviews and a yearly bonus system; 24 paid vacation days per year
- Private offices – we value focus and productivity, so we do not work in open spaces
- Company-funded certifications and professional development – we cover various courses and training programs
- Paid international conferences and training opportunities; Frequent business trips to other European offices
- A pet-friendly workplace – bring your furry friend to the office
- Birthday and Christmas gifts; Company events and team-building activities; Additional private health insurance
- Participation in international projects and collaboration with professionals across Europe and beyond
